Online Test Details:

SMS online IA test was conducted, it comprised of Module 3 questions. Sixty minutes was allotted to us in order to answer the questions. It had different sections in it. Problem solving skill was tested and immediately after the test the results were generated.

Certification Course Details:

This is a fundamental level course that is intended for individuals who seek an overall understanding of the AWS cloud, independent of specific technical roles. It provides a detailed overview of cloud concepts, AWS services, security, architecture, pricing, and support. This course also helps us prepare for the AWS Certified Cloud Practitioner Exam.
